Prisma is an easy-to-maintain, absorbent, walk-off entrance carpet in seven warm colours, for homes and small offices.

Design

Prisma is a low-pile, glossy, walk-off entrance carpet with a cut, friséed pile for a subtle shadow effect. The lustre of the yarn enables bright, fresh uni colours. The sparkling scarlet colourway, for instance, means entrance areas can provide a real red-carpet welcome. The golden beige and copper browns complement the metals used in interior furniture fittings and lamps, as do the steel grey and the deep black tones. The midnight blue colour is a surprising combination of grey and black tones, such as those used to powder coat metal window frames and doors.
